RETIREMENT COMMUNITY

Assisted Living

There may come a time when you need extra help with daily living

Palm Village Assisted Living

Palm Village Retirement Community is a place where you can trade in the uncertainties of a loved one living alone or the responsibilities of maintaining a home for the affordable services and amenities that simplify life. Our residential care center offers help, with an emphasis on maintaining dignity and privacy while promoting a sense of independence and well-being.

Our comprehensive wellness services are tailored to each resident's individual needs. We provide them in the comfort and privacy of their own suite – delivered with sensitivity and a smile by our skilled, nursing personnel on duty 24/7. It's your assurance of fast and qualified assistance.

We focus on learning more about our resident's personal history, interests, and needs. This allows us to provide customized person-centered care. With additional care and assistance, we give you peace of mind.
